#13-0990-EL-GBN.. Yes We Have Read The Report. The setbacks are wrong to infringe on anyone's property other than the people who have signed up for the Turbines .. You As A Board are wrong for this to allow this to happen. This is why the people of the twp. are asking for another hearing. The questions that still need to be answered. We are concerned about the way the people of the twp. have been treated by lawyer and mumbo jumbo.. of the Wind Turbines are meeting all their requirements of the certificate. They are a company. They don't pay our taxes.. they want our tax money. And we have lost the quiet country way of life because of them.. I hope you one day. Will come across something in your neighborhood. you will have to fight from coming in.. And you have a Board that does what they think and throw your feelings aside and Tell youTHEY DO NOT MATTER YOU HAVE NO VOICE>>>>.. We are not anti-wind turbines. It's the setbacks and the lack of concerns From you as a Board to protect The People... Or Maybe you are not for the people's protection. You Are for Killing of Wildlife, ... And the Health of children and people. When will you stand up and help the people of our twp. understand why???????? After all the letters from our community ..Have You asked why ? Maybe you need to stop and allow another hearing.. To Find out why we are so concerned. HELP US TO FIND THE ANSWERS>>>PLEASE>>>> THAT IS ALL WE HAVE BEEN ASKING FOR..

THANK YOU,

Fay Leber
