**Subject:** NRG Lorain County Pipeline: Case Number 14-1717-GA-BLN

Ms. Helfrich,

Thank you for contacting the Ohio Power Siting Board regarding NRG Ohio's proposed Lorain County Pipeline. It is noted that you are in opposition to routing the pipeline through residential areas. Your email below will be filed in the public comments section of the case record for 14-1717-GA-BLN.

To date, NRG Ohio Pipeline Company has not filed an application for this project with the Board. Once filed, the application will be subject to the Board's Letter of Notification process. A detailed explanation of this process is available at <http://www.opsb.ohio.gov/opsb/index.cfm/rules/interim-accelerated-application-process/>. As with all cases before the Board, your participation is encouraged:

**Submit Written Comments**

- Email: [contactOPSB@puc.state.oh.us](mailto:contactOPSB@puc.state.oh.us)
- Mail: Ohio Power Siting Board, 180 E. Broad Street, Columbus Ohio 43215
- All correspondence must include the official case number to be docketed in the case.

**Request Intervention in the Case**

Individuals and organizations may request formal intervention to participate as a party of record in the case proceedings.

- Local governments in the project area have automatic right to intervention, but must notify the Board of their intention to intervene. Legal counsel is required.
- Local businesses and organizations must request intervention. Legal counsel is required.
- Individuals must request intervention. Legal counsel is not required.

Please do not hesitate to contact me with any additional questions. Again, thank you for your interest in this case.

Sincerely,

Matt Butler

COMMENTS: I oppose that NRG is coming thru a Residential area to put a gas line. There was a alternate route proposed, but no word as of why it is coming to this area. The State Representative Matt Lundy has also written a letter (September 23, 2014) to NRG concerning the route of the pipeline.
