Re: Southeastern Ohio Public Energy Council
Case No. 14-936-EL-GAG

Dear Ms. McNeal:

With this letter, the Southeastern Ohio Public Energy Council ("SOPEC") submits a revision to Section A-1 of its Certification Application for Governmental Aggregators, filed May 22, 2014. SOPEC inadvertently listed the applicant as "Athens County;" however, the cover letter and remaining responses to the application, as well as the supporting exhibits, clearly show that SOPEC is the entity requesting certification. SOPEC requests that the certificate be re-issued in the name of the Southeastern Ohio Public Energy Council. SOPEC also is providing the authorizing ordinances of its third member, the Village of Amesville, which has joined SOPEC.

Thank you for your attention to this matter.

Sincerely yours,

Dane Stinson

OF THE REVISED CODE.**

WHEREAS, The Ohio Legislature has enacted electric deregulation legislation ("Am. Sub. S. B. No. 3") which authorizes the legislative authorities of municipal corporations, townships, and counties to aggregate the retail electric loads located in the respective jurisdictions and to enter into service agreements to facilitate for those loads the purchase and sale of electricity;

WHEREAS, Electric Aggregation provides an opportunity for electric consumers collectively to realize electric savings, lower cost electric supplies, and other benefits that the consumers may not otherwise be able to realize individually; and

WHEREAS, The Village of Amesville, Ohio, desires to submit a Resolution to the Board of Elections to submit to the electors of the Village of Amesville, Ohio, the question of whether the Village should create an Electric Aggregation program in accordance with Ohio Revised Code No. 4928.20; and

WHEREAS, This Resolution should be presented to the Village Council for consideration in a timely manner in that it must be certified to the Athens County Board of Election authorities by February 5, 2014, since opportunities to coordinate aggregation activities with certain suppliers of electric may become limited due to market conditions; and

**NOW THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE
OF AMESVILLE, STATE OF OHIO:**
