Mr. Palkowski,

I apologize for the delay. I needed to wait to receive some banking info from our bookkeeper and now will be mailing (USPS overnight) today the properly completed version of Exhibit C-5.

The docketing division "will" receive it tomorrow morning.

Thank you again for your time and attention that you took with me.
Jennifer

Ms. O'Hara.

The certification application for Best Power LLC (Case Number 12-2652-EL-AGG) was received by the PUCO Docketing Division on October 2, 2014. However, the application was filed without a properly completed version of Exhibit C-5 (forecasted financial statements for 2015 and 2016). We discussed this matter on October 16, 2014 and you agreed to provide the requested information.

To date, the PUCO has not received the required information from you.

In order to avoid suspension and/or denial of your application, please send the above referenced Exhibits to the PUCO Docketing Division with a note to include them as amendments to your application for Case Number 12-2652-EL-AGG. The required exhibit must be received by Monday, October 27, 2014 in order for staff to have sufficient time to review the information and for you to avoid suspension or denial of your application.

Please let me know if you have any questions.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.
