Subject Services must be ordered and purchased subject to the Term Period applicable to either DS1 or DS3 service, respectively, under this Contract Offer, as provided in Section 22.219.3(C) (in either case, referred to as the Service Term). Customer shall order any New Subject Services under this Contract Offer by submitting an ASR, including the PNUM of this Contract Offer to the Telephone Company. Customer may convert any Existing Subject Services to this Contract Offer either: (1) by submitting one or more ASRs, including the PNUM of this Contract Offer, to the Telephone Company, or (2) by requesting a bulk conversion project, to be coordinated by the Telephone Company. In either case, Existing Subject Services must begin a new service term upon conversion to this Contract Offer. Termination liability charges will not apply as a result of such conversion.

Upon expiration of the Service Term or upon termination of the Term Period as described in Section 22.219.4(G), below, Subject Services will be provided at the prevailing month-to-month rates as provided in Ameritech Tariff F.C.C. No. 2, Sections 7 or 21, or if there are no month-to-month rates, then at the rates applicable to the shortest available term, unless the Customer disconnects the services or chooses another applicable rate. Notwithstanding anything to the contrary in this Section 22.219.4(C), all Service Terms are subject to termination pursuant to Section 22.219.4(G), below.

- (D) Commingling of Subject Services is defined in Ameritech Tariff F.C.C. No. 2, Section 2.6. During the Term Period, the Customer may not at any time be obtaining from the Qualified Companies a greater number of Subject Services that are commingled with one or more unbundled network elements than the number of such Subject Services in place as of the Subscription Date.
- (E) The Customer may not be a party to any agreement for de-tariffed interstate access services provided by any of the Qualified Companies ("Broadband Agreement") or any other pricing flexibility contract tariff, if the Broadband Agreement or pricing flexibility contract tariff contains any revenue or volume commitment or attainment level, as of the effective date of the Contract Offer (Commitment Agreement), unless the Commitment Agreement expressly allows the Customer to participate in both the Commitment Agreement and the Concurrently Subscribed Contract Offers.
- (F) Grandfathering or Sunsetting of Subject Services
Nothing in this Contract Offer shall prevent the Qualified Companies from terminating the provision of Subject Services entirely, prior to the end of the Term Period, to the extent permitted by applicable law.

- (G) Subject to paragraphs G(1) or G(2), if either becomes applicable during the Term Period, upon no less than three (3) months' notice to the Customer, the Telephone Company may stop accepting orders for, or otherwise placing Subject Services under, five (5) year and seven (7) year service terms, including new, renewed, converted, or other Subject Services. The date on which the Telephone Company may stop accepting orders for, or otherwise placing service under, five (5) year and seven (7) year service terms will not be sooner than January 1, 2018, and may be implemented on a geographically or otherwise limited basis (e.g., by wire center). For any in-service circuit subject to a service term that extends beyond January 1, 2018, the Customer may keep the circuit in place subject to that service term; provided, however, that such service terms will be subject to termination by the Telephone Company until the earlier of: (i) the time at which the Telephone Company or any of its affiliates can provide a replacement service to the location served by such circuit, or (ii) January 1, 2019.
- (1) If a Telephone Company tariff filing to withdraw or limit the availability of five (5) or seven (7) year service terms (a Grandfathering Tariff) has not become effective as of January 1, 2018, then upon written notice from the Customer to the Telephone Company, the Customer may continue to purchase or retain Subject Services under five (5) and seven (7) year service terms to the extent such service terms remain available under the terms and conditions of the applicable tariff provisions, subject to any subsequent changes in such terms and conditions, but all other terms and conditions of this Contract Offer will continue to apply.

- (H) If, during the Term Period, any of the Qualified Companies or any portion of any such Qualified Company is no longer under the ownership and control of AT&T Inc. (a "Divested Entity"), then as of the closing date(s) of the relevant transaction(s), any Concurrently Subscribed Contract Offer applicable to a Divested Entity shall be administered and enforced, and any rights or obligations of either party to such Contract Offer shall apply, separately to: (i) the Qualified Companies (and any portions of Qualified Companies) remaining under the ownership and control of AT&T Inc. and (ii) the Divested Entity or Entities. In particular, but without limitation, the MARC (as provided in Section 22.219.5) and the amount of MARC-Eligible Charges required to qualify for Plan Shortfall Charges (as provided in Section 22.219.6(C)) shall be pro-rated between the Qualified Companies (and any portions of Qualified Companies) remaining under the ownership and control of AT&T Inc. and the Divested Entity or Entities in proportion to the amount of MARC-Eligible Charges billed by the Qualified Companies (and any portions of Qualified Companies) remaining under the ownership and control of AT&T Inc. and the Divested Entity or Entities, for the three months immediately prior to the closing date(s) of the relevant transaction(s).

Notwithstanding the foregoing paragraph, nothing in this Section 22.219.4(H) shall prevent the lawful modification or termination of any of the Concurrently Subscribed Contract Offers, as applicable to any Qualified Company or Divested Entity.

22.219.5 Minimum Annual Revenue Commitment

The Customer must satisfy a Minimum Annual Revenue Commitment (MARC) for each Term Year of this Contract Offer. The MARC shall be satisfied by gross billed recurring revenue, after application of any discounts or credits applicable to those recurring revenues (except those issued under the Concurrently Subscribed Contract Offers), as well as adjustments for overbilling, under-billing and billing dispute settlements issued during that Term Year for Subject Services and Non-Subject Services purchased by and billed to Customer under the Eligible ACNAs (collectively, "MARC-Eligible Charges"). The Customer's MARC-Eligible Charges shall specifically exclude non-recurring charges, usage-based charges and temporary service charges. Credits under this Contract Offer are conditioned on the Customer's satisfaction of the MARC in each Term Year. Satisfaction of the MARC shall be determined according to MARC-Eligible Revenue.

The MARC for the first Term Year of the Term Period will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the three (3) months prior to the Subscription Date, times four (4). The MARC for the each subsequent Term Year of the Term Period will be equal to ninety-five percent (95%) of the Customer's MARC-Eligible Revenue for the last three (3) months of the prior Term Year, times four (4).

22.219 Contract Offer No. 219 – Access Service Offer (Cont'd)22.219.7 Access Service Ratio

The Customer (including any of its Affiliates included in this Contract Offer) must maintain an Access Service Ratio as further provided in this Section 22.219.7. The Access Service Ratio shall be calculated quarterly, based on data for the most recent single month for which information is available at the time of the calculation. The Qualified Companies will calculate the Customer's Access Service Ratio as of the Subscription Date and for each Quarter thereafter, as follows:

$$\text{Access Service Ratio} = \frac{\text{Access Revenue}}{(\text{Access Revenue} + \text{Wholesale Revenue})}$$

During the Term Period, the Access Service Ratio may not decline by more than 3%, as compared to the Access Service Ratio on the Subscription Date, as determined by each quarterly calculation of the Access Service Ratio.

Example: Assume that the Customer's Access Service Ratio, as calculated for the Subscription Date, is 95%. For each subsequent quarterly calculation of the Access Service Ratio, the Customer would be required to achieve an Access Service Ratio of at least 92%.

If during the Term Period, any of the Qualified Companies offers additional ILEC access services or UNEs, such additional ILEC access services or UNEs shall also be included in the calculation of the Access Service Ratio. Recurring revenue, for purposes of calculating the Access Service Ratio, will be measured according to gross billed recurring revenue, after application of any discounts or credits applicable to that recurring revenue, plus any adjustments for overbilling, under-billing and billing dispute settlements. The calculation of recurring revenue will not include any DS1 Plan Credits issued pursuant to this Contract Offer.

If, upon the initial review or any quarterly review of the Customer's compliance with the Access Service Ratio, the Qualified Companies determines that the Customer has not complied with the Access Service Ratio, the Qualified Companies will so notify the Customer in writing. The Customer will have sixty (60) days after such notice to cure its noncompliance with the Access Service Ratio.

"Access Revenue" means the Qualified Companies' interstate recurring revenue from the Customer and its "Affiliates" associated with the services defined in Tables E and F, below. An "Affiliate" of a party to this Contract Offer means any entity that controls, is controlled by, or is under common control with, such party.
