RE: Case No: 12-3151-EL-COI

Dear Sir/Madam:

This letter is to advise the Public Utilities Commission of Ohio regarding Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company's (collectively, the "Companies") compliance with paragraph 29 of the Commission's Entry on Rehearing in the above-referenced proceeding. In that Entry, the Commission ordered the EDUs to "provide interval [Customer Energy Usage Data ("CEUD")] to CRES providers in a manner consistent with the Commission's rules, Ohio Adm. Code 4901:1-10-24" and to file "amended tariffs that specify the terms conditions and charges associated with providing interval CEUD within six months of this Entry on Rehearing." The Companies' current Supplier Coordination Tariffs already provide for the terms and conditions and charges associated with providing this information. No further filings are necessary.

Very truly yours,

/s/ Carrie M. Dunn
