The Public Utilities Commission of Ohio

Filing Instructions for Aggregators/Power Brokers

I. Where To File: Applications should be sent to: Public Utilities Commission of Ohio, Docketing Division , 180 East Broad Street, Columbus Ohio 43215-3793.

II. What To File: Applicant must submit one original notarized application signed by a principal officer and three copies including all exhibits, affidavits, and other attachments. All attachments, affidavits, and exhibits should be clearly identified. For example, Exhibit A-12 should be marked "Exhibit A-12 'Corporate Structure.'" All pages should be numbered and attached in a sequential order.

III. Which Forms To File: Entities other than governmental aggregators that will aggregate customers or provide power-brokering services must file a "Certification Application for Aggregators/Power Brokers" form. Governmental aggregators must file an "Certification Application for Governmental Aggregators" form. If an aggregator will provide power marketing and/or retail electric generation services in addition to aggregation and power brokering services, it must file an "Certification Application for Retail Generation Providers, Power Marketers, and Power Brokers" form. The following definitions are provided to assist applicants in determining which form(s) to file:

Aggregation - combining the electric load of multiple retail customers through an agreement with the customers or formation of a governmental aggregation pursuant to Section 4928.20 of the Revised Code for the purpose of purchasing retail electric generation service on an aggregated basis.

Aggregator - a person who contracts with customers to combine the customers' electric load for the purpose of purchasing retail electric generation service on an aggregated basis. The term does not include a governmental aggregator.

Governmental Aggregator - the legislative authority of a municipal corporation, the board of township trustees of a township, or a board of county commissioners of a county that aggregates the citizens of a municipal corporation, township, or unincorporated areas of a county in accordance with Section 4928.20 of the Revised Code for the purpose of purchasing retail electric generation service on an aggregated basis.

Power Broker - a person who assumes the contractual and legal responsibility for the sale and/or arrangement for the supply of retail electric generation service to a retail customer without taking title to the power supplied.

Technician AM Date Processed DEC 15 2014

Power Marketer - a person who assumes the contractual and legal responsibility for the sale and provision of retail electric generation service to a retail customer who had title to the electric power provided at some point during the transaction.

IV. Application Form: The application is available on the Commission's web site, www.puco.ohio.gov or directly from the Commission at: Public Utilities Commission of Ohio, Docketing Division, 180 East Broad Street, Columbus Ohio 43215-3793.

V. Confidentiality: If any of an applicant's answers require the applicant to disclose what the applicant believes to be privileged or confidential information not otherwise available to the public, the applicant should designate at each point in the application that the answer requires the applicant to disclose privileged and confidential information. Applicant must fully support its request to maintain confidentiality for the information it believes to be confidential or proprietary in a motion for protective order filed pursuant to Rule 4901-1-24 of the Ohio Administrative Code.

VI. Commission Process for Approval: An application for certification shall be made on forms approved and supplied by the Commission. The applicant shall complete the appropriate application form in its entirety and supply all required attachments, affidavits, and evidence of capability specified by the form at the time an application is filed. The Commission certification process begins when the Commission's Docketing Division receives and time/date stamps the application. An incomplete application may be suspended or rejected. An application that has been suspended as incomplete may cause delay in certification.

The Commission may approve, suspend, or deny an application within 30 days. If the Commission does not act within 30 days, the application is deemed automatically approved on the 31st day after the official filing date. If the Commission suspends the application, the Commission shall notify the applicant of the reasons for such suspension and may direct the applicant to furnish additional information. The Commission shall act to approve or deny a suspended application within 90 days of the date that the application was suspended. Upon Commission approval, the applicant shall receive notification of approval and a numbered certificate that specifies the service(s) for which the applicant is certified and the dates for which the certificate is valid.

Unless otherwise specified by the Commission, a competitive retail electric service provider's certificate is valid for a period of two years, beginning and ending on the dates specified on the certificate. The applicant may renew its certificate in accordance with Rule 4901:1-24-09 of the Ohio Administrative Code.

CRES (competitive retail electric service) providers shall inform the Commission of any material change to the information supplied in a certification application within thirty days of such material change in accordance with Rule 4901:1-24-10 of the Ohio Administrative Code.

VII. Contractual Arrangements for Capability Standards: If the applicant is relying upon contractual arrangements with a third-party(ies) to meet any of the certification requirements, the applicant must provide with its application all of the following:

- The legal name of the party(ies) it is contracting with;
- A statement that a valid contract exists between the applicant and the third-party(ies);
- A detailed summary of the contract(s) including all services provided thereunder;
- The documentation and evidence to demonstrate the contracting entity's capability to meet the requirements as if the contracting entity was the applicant.

VIII. Questions: Questions regarding filing procedures should be directed to
CRES@puc.state.oh.us.

IX. Governing Law: The certification/renewal of competitive retail electric suppliers is governed by Chapter 4901:1-24 of the Ohio Administrative Code, Chapter 4901:1-21 of the Ohio Administrative Code, and Section 4928.08 of the Ohio Revised Code.
