ENTRY

The attorney examiner finds:

- (1) On November 24, 2014, Marietta Garrett (Complainant) filed a complaint with the Commission against Columbia Gas of Ohio, Inc. (Columbia). In the complaint, Ms. Garrett asserts that Columbia has failed to timely repair the damage to her sidewalk. The Complainant submits that, in 2011, Columbia removed the valve from her driveway and damaged the sidewalk. According to the complaint, although Columbia attempted to repair the sidewalk the concrete did not set properly due to the cold weather and Columbia agreed to repair the sidewalk when the weather was better. The Complainant argues that Columbia has failed to repair the sidewalk in a timely manner.
- (2) Pursuant to Ohio Adm.Code 4901-9-01, Columbia's answer to the complaint, or other responsive pleading, was due on December 15, 2014.
- (3) On December 15, 2014, Columbia filed a motion for an extension of time to file a response. Columbia states that the parties have reached a settlement in principle and the settlement letter was sent to the Complainant. Columbia requests an extension of time to file its answer, until December 29, 2014, to allow the Complainant an opportunity to review the settlement documents and respond to the settlement proposal before its response is due.

- (4) Columbia's request for an extension of time to file its answer, or other responsive pleading, is reasonable and should be granted. Accordingly, Columbia's response is due by December 29, 2014.

It is, therefore,

ORDERED, That Columbia's motion for an extension is granted. It is, further,

ORDERED, That a copy of this Entry be served upon Ms. Garrett, Columbia and its counsel, and all other interested persons of record.
