The Oregon Pipeline Lateral would create much needed jobs for our area. It would provide clean natural gas that would be environmentally safe for NW Ohio. It would give the NW Ohio region more affordable energy choices. It would help to replace older, dirtier power plants. I would like you to support the proposed.

Thank you,

Ms. Taylor,

Thank you for contacting the Ohio Power Siting Board (OPSB) with your concerns regarding North Coast Gas Transmission's proposed Oregon Lateral Pipeline. Your comments will be filed in the record for case number 14-1754-GA-BLN for the Board and its technical staff to review.

The Board's staff is currently investigating North Coast's proposal and will issue a Staff Report of Investigation later this month. The staff report will include a summary of potential impacts and recommend a list of conditions.

Sincerely,

Matt Butler
