RE: Case # 14-0841EL-SSO

14-841-EL-SSO

Dear PUCO,

As the saying goes, "If it ain't broke, don't fix it." Well something is broken in this case, and the time to take action is now. Please deny the request from Duke Energy to force them to continue making progress for the future.

Thank you,  
A. Kays

DUCCO - CASE NO. 14-0841EL-SSO 12-23-14

PLEASE DENY THE RATE INCREASE  
TO LOCK CONSUMERS INTO BUYING  
POWER FROM OHIO'S DIRTY COAL PLANTS.  
I PAY MY BILL TO DUKE ENERGY  
AND I FEEL MORE MONEY SHOULD BE  
INVESTED IN CLEAN RENEWABLE  
ENERGY. IT ESPECIALLY BOTHERS ME  
THAT MY YOUNG GRAND-DAUGHTERS  
ARE BREATHING THIS TOXIC AIR.

To Whom It May Concern,

Our family is a customer of Duke Energy and we do not believe in subsidizing Duke's continued use of older, inefficient, polluting power plants. Please deny the rate increase that continues to enable their use of these plants. A bailout of old, polluting technology only benefits utility shareholders and delays inevitable investment in more efficiency and renewable energy.

Thank you,
