**Re: NRG Ohio Pipeline LLC
OPSB Case No. 14-1717-GA-BLN**

Dear Ms. McNeal:

This letter serves as an *Erratum* to the Letter of Notification (“LON”) filed by NRG Ohio Pipeline LLC (“NRG Pipeline”) on December 19, 2014.

The Applicant found an error with respect to the number of overhead electrical facility ROWs owned by a FirstEnergy subsidiary. The second paragraph on page 6 of the LON should have stated:

The Project will also require the crossing of existing overhead of electrical facility ROWs owned and operated by a subsidiary of FirstEnergy Corporation. A total of 20¹ crossings are required. NRG is working with FirstEnergy to secure the necessary rights associated with these crossings.

Upon discovering the error, the Applicant wanted to correct it for the record.

If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield

CC: Jim O'Dell

¹ The LON stated “19.”
