Senator Gardner,

Regarding the North Coast Pipeline:

It is our opinion that in the filing by the Legal firm Vorys, Sater, Seymour and Pease LLP on January 2, 2015, on behalf of North coast Gas Transmission LLC the terms of condition 21 has not been met. There is nothing in the report that addresses the actions to lessen the impact on properties that are significantly bisected by the pipeline.

We feel that the project should not be approved at this time. Any assistance that your office can lend to this manner would be greatly appreciated.

Regards,

Paul Swartz
