Notice of Proposed Major Utility Facility (New Pipeline Construction)

NRG Ohio Pipeline Company LLC ("NRG Ohio Pipeline") is proposing to construct an approximately 20 mile natural gas pipeline ("Project") to bring natural gas to the Avon Lake Power Plant. The Project will extend south from the existing Avon Lake Power Plant to a proposed supply tap location southwest of the Village of Grafton. The Project is located within the City of Avon Lake, the City of Avon, the City of North Ridgeville, the City of Elyria, and unincorporated portions of Carlisle, Eaton, and LaGrange Townships in Lorain County, Ohio.

The location of the proposed Project is shown on the map below:

A Letter of Notification ("LON") has been filed with the Ohio Power Siting Board ("Board") as Case No. 14-1717-GA-BLN in order to construct, operate, and maintain the proposed Project described above. The LON is pending with the Board and the Board will review the LON in accordance with Ohio Revised Code Section 4906.10(A) which states that the Board shall not grant a certificate for the construction, operation, and maintenance of a major utility facility, either as proposed or as modified by the Board, unless it finds and determines all of the following: (1) The basis of the need for the facility; (2) The nature of the probable environmental impact; (3) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of the various alternatives, and other pertinent considerations; (4) In the case of an electric transmission line, that the facility is consistent with regional plans for expansion of the electric power grid of the electric systems serving this state and interconnected utility systems and that the facility will serve the interests of electric system economy and reliability; (5) That the facility will comply with Chapters 3704., 3734., and 6111. of the Revised Code and all rules and standards adopted under those chapters and under Sections 1501.33, 1501.34, and 4561.32 of the Revised Code. In determining whether the facility will comply with all rules and standards adopted under Section 4561.32 of the Revised Code, the Board shall consult with the office of aviation of the division of multi-modal planning and programs of the department of transportation under Section 4561.341 of the Revised Code; (6) That the facility will serve the public interest, convenience, and necessity; (7) In addition to the provisions contained in divisions (A)(1) to (6) of this section and rules adopted under those divisions, what its impact will be on the viability as agricultural land of any land in an existing agricultural district established under Chapter 929 of the Revised Code that is located within the site and alternative site of the proposed major utility facility; rules adopted to evaluate impact under Division (A)(7) of this section shall not require the compilation, creation, submission, or production of any information, document, or other data pertaining to land not located within the site and alternative site; and (8) That the facility incorporates maximum feasible water conservation practices as determined by the Board, considering available technology and the nature and economics of the various alternatives.

The following public officials were served a complete copy of the Letter of Notification: Greg Zilka, Mayor, City of Avon Lake; Joseph Reitz, Service Director, City of Avon Lake; Bryan Jensen, Mayor, City of Avon; Robert Knopf, City of Avon Engineer; Carolyn Witherspoon, Chair, City of Avon Planning Commission; G. David Gillock, Mayor, City of North Ridgeville; Larry Mollenkamp, Chairman, North Ridgeville Planning Commission; Scott Wangler, North Ridgeville City Engineer; Holly C. Brinda, Mayor, City of Elyria; Timothy Ujvari, Elyria City Engineer; Ted Kalo, Lori A. Kokoski, and Tom Williams, Lorain County Commissioners; Kenneth P. Carney, Lorain County Engineer; Will Schlechter, Chairman, Lorain County Soil and Water Conservation District; Matt Hignett, Randy Houston, and Jason Monschein, Eaton Township Trustees; Richard Knechteges, Administrative Assistant, Eaton Township; Robert White, Berry Taylor, and James Wright, Carlisle Township Trustees; William Oliver, Administrative Assistant, Carlisle Township; Douglas Gardner, Gary Burnett, and Rita Canfield, LaGrange Township Trustees; Vince Sigmund, Zoning Inspector, LaGrange Township; and David French, Road and Bridge Superintendent, LaGrange Township.

The LON is available for public inspection at the following libraries: The Avon Lake Public Library, 32649 Electric Blvd., Avon Lake, Ohio, 44012; the Avon Branch Library, 37485 Harvest Drive Avon, OH 44011; the North Ridgeville Branch Library, 35700 Bainbridge Road, North Ridgeville, Ohio 44039; and the Elyria Public Library, 320 Washington Ave., Elyria, Ohio 44035.

A copy of the LON is also posted on NRG Ohio Pipeline's web page at <http://www.nrg.com/legal/avonlake/>. In addition, copies of all filings in the case can be located at the Ohio Power Siting Board website at (<http://www.opsh.ohio.gov>) by scrolling down to "Pending Cases" and selecting the case by name or docket number.

Affected persons may file comments and/or motions to intervene in this matter with the Board up to ten (10) days following the publication of this notice. Comments or motions should be addressed to the Ohio Power Siting Board, 180 East Broad Street, Columbus, Ohio 43215-3793 and cite Case No. 14-1717-GA-BLN.
