RECEIVED-DOCKETING DIV

The Village of Russells Point Council is writing to express its objection to the approval of the Scioto Ridge Wind Farm. Specifically, the Village Council believes the approval of this wind farm will affect adjacent property owners' rights to the detriment of their land. Finally, the Village Council will soon be pursuing a wind turbine ordinance that will be adopted in the Village to regulate such wind farm activities. Please contact us with any questions.

Respectfully,

Robin Reames, Mayor
