Re: Motion for Waiver,
Case No. 14-2322-EL-BGN

Dear Honorable Greta See:

On December 24, 2014, Clean Energy Future-Lordstown, LLC (Applicant) filed a motion for waivers on an expedited basis. The Applicant seeks a waiver from providing an extensive site selection study to the extent it is unable to describe all the specific information listed in the site selection criteria as set forth in Ohio Adm. Code 4906-13-03(A)-(B). The Applicant also seeks a waiver from certain requirements relating to a cross-sectional view and test borings set forth in Ohio Adm. Code 4906-13-04(A)(4); the Applicant instead seeks permission to provide the information no later than four weeks prior to the issuance of the Staff Report.

The Staff of the Ohio Power Siting Board (Staff) does not object to the requested waivers, but reserves the right to require information from the Applicant in areas covered by the requested waivers if Staff determines it to be necessary during the course of the investigation. The Staff also reserves the right to investigate and contest all other issues presented in the application.

Respectfully submitted,

/s/ Ryan P. O'Rourke
