**Re: Clean Energy Future-Lordstown, LLC,
OPSB Case No. 14-2322-EL-BGN**

Dear Ms. McNeal:

This letter serves as an *Erratum* to Clean Energy Future-Lordstown, LLC's Motion for Waivers filed on December 24, 2014.

Applicant inadvertently requested the Ohio Power Siting Board to permit it to submit the appropriate test borings four (4) weeks prior to the Staff Report. The request on page 1 of the Motion should have stated:

From certain requirements relating to a cross-sectional view and test borings set forth in OAC Rule 4906-13-04(A)(4), and instead permit Applicant to submit the appropriate test borings prior to the pre-construction conference.

I apologize for any inconvenience this oversight may have caused.

Sincerely,

Sally W. Bloomfield

Cc: Administrative Law Judge Greta See
