3. Standard Business Local Exchange Service, (cont'd)

3.1 AT&T Calling Areas, (cont'd)

A. Message Rate

Message Rate Service consists of a fixed monthly rate for usage packages which includes a monthly local usage allowance in the monthly rate. Each local call is charged on a message unit basis and an additional charge is made for local messages in excess of the allowance. The allowance, if not used during one month, is not credited to the customer's account for any other month that service is provided.

Individual Line	Monthly Rate
All Areas	\$33.90

I

Local Message Allowances and Charges

The monthly rates for usage packages associated with message rate services include the number of local messages specified below:

Monthly Call Allowance 73

The current charge per additional local message is \$0.08

The maximum charge per additional local message is \$0.08

Unless otherwise requested by the customer, where two or more message rate services of the same class and grade are furnished to a customer from the same central office at given premises, the local message allowance for the service involved is combined and the total usage allowance.

Business Rate Increase – Ohio AT&T Territory

MetTel will increase the monthly rates for Business Lines, PBX Trunks, DID Station Numbers and various Features effective with bills dated March 1, 2015. Business Line and PBX Trunk charges will increase to the new month-to-month rates for accounts whose term agreements with MetTel have expired or are billed on a month-to-month basis. The other increases apply to all accounts.
