Dear PUCO,

PUCO

In reference to Case # 14-1297-EL-SSO,
I am writing to urge you to deny the rate
increase requested by First Energy et al.
I would be happy to pay more to modernize
our power plants, but I strongly object to
paying more to delay the inevitable investments
that will have to be made at some point.

You are to administer your duties in
the public interest, and in this case clearly
a progressive mindset is needed. We need to
look forward, not backward. Don't make us
pay more to go backward.

Sincerely yours,

Rebecca Mayhew
