ENTRY

The attorney examiner finds:

- (1) Orwell Natural Gas Company (Orwell Gas or Complainant) and Orwell-Trumbull Pipeline Company, LLC (Orwell-Trumbull Pipeline or Respondent) are public utilities as defined in R.C. 4905.02 and 4905.03, and are subject to the jurisdiction of this Commission.
- (2) On September 19, 2014, Orwell Gas filed the instant complaint against Orwell-Trumbull Pipeline, pursuant to R.C. 4905.26 and 4929.24. Complainant states that Respondent has threatened to begin proceedings to shut off transportation of gas to Complainant in violation of the Ohio Revised Code, because Complainant has failed to pay invoices for service. According to Complainant, it has paid for all volumes of natural gas transported through Respondent's system pursuant to tariffs and the agreement that were previously approved by the Commission. Complainant requests the Commission find that Respondent's recent invoices are not in compliance with the tariff or the agreement, and that Respondent be ordered to not shut off service to the residential and commercial customers of Complainant.
- (3) By Entry of September 22, 2014, the attorney examiner ordered Orwell-Trumbull Pipeline to maintain the provision of service to all customers of Orwell Gas during the pendency of this proceeding, until such time as the Commission orders otherwise.

- (4) By Entry issued January 16, 2015, a settlement conference was scheduled for February 9, 2015.
- (5) On February 5, 2015, the parties filed a joint motion to continue the settlement conference to March 10, 2015. The parties state that the need to reschedule the settlement conference occurred due to a scheduling conflict among the parties on the date previously set.
- (6) The attorney examiner finds good cause to continue the settlement conference. Accordingly, the settlement conference should be continued to March 10, 2015, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 12th Floor, Conference Room 1247, Columbus, Ohio 43215-3793.

It is, therefore,

ORDERED, That the February 9, 2015 settlement conference is continued to March 10, 2015, at 10:00 a.m., at the offices of the Commission, 180 East Broad Street, 12th Floor, Conference Room 1247, Columbus, Ohio 43215-3793. It is, further,

ORDERED, That a copy of this Entry be served upon each party of record.
