## 1. MONTHLY EXCHANGE SERVICES (cont'd)

### C. Local Exchange Usage

There are four types of local exchange usage: measured, minute line, message and flat. (C)  
Effective July, 1, 2013, Measured Rate, Message Rate, and Minute Line Services will no longer be (N)  
available for new residential installations. (N)

#### 1. Non-Residence BLES Measured Rate Service<sup>/1/</sup> (C)

Non-Residence measured rate local usage charges consist of per-minute usage charges based (C)  
upon four measured elements, i.e., the total number of outgoing local messages, the distance  
and the duration of each local message and the time of day each local message is originated,  
subject to the following:

##### a. Distance

The charges for local messages vary based on the airline distance (i.e., rate mileage)  
between the rate centers of the central offices serving the calling and called stations,  
determined in the same manner as message toll rate distances.

##### b. Duration

- (1) A charge applies for the initial minute, or fraction thereof, and for each additional  
minute, or fraction thereof.
- (2) A local message is considered as starting at the time telephone communication is  
established between the calling station and the called telephone number.
- (3) Chargeable time ends when the calling station "hangs up" thereby releasing the  
network connection. If the called station "hangs up" but the calling station does not,  
chargeable time ends when the network connection is released by the automatic  
timing equipment in the telephone network.
- (4) Chargeable time does not include time lost because of faults or defects in the service.

/1/ Measured Rate, Message Rate and Minute Line Services will not be available for new residence (D)  
installations effective July 1, 2013. Existing customers may keep these services until they move or (D)  
make changes in their services or until the services are discontinued. See AT&T Ohio Guidebook, (N)  
Part 20, Section 4. (N)

**c. Time of day**

50% discount -	9:00 PM to 8:00 AM* - Monday through Friday (All day Saturday, Sunday and Holidays)

- (2) The holidays on which a 50% discount applies are Christmas Day (December 25), New Year's Day (January 1), Independence Day (July 4), Thanksgiving Day and Labor Day, or on resulting legal holidays when Christmas, New Year's or Independence Day legal holidays fall on dates other than December 25, January 1 or July 4 respectively.
- (3) In cases where a local message begins in one time period and ends in another, the charges in effect at the time the message starts apply to the entire message.
- d. The per-minute charges for local message usage are based on summary billing for such usage by mileage step, initial period calls and total additional minutes of usage per mileage step. The charges will also be separated by time period. Special billing of local message charges requiring the assistance of a Company operator will not be provided. (C)
