Power Siting Board ("Board") issued a Certificate of Environmental Utility and Public Need authorizing Oregon Clean Energy, LLC to own, and operate a nominal 799 megawatt (MW) natural gas fired, 1 cycle power station, Oregon Clean Energy Center on May 1, 2013. The Oregon Clean Energy Center will be located on a 30-acre property in a rural/industrial zoned area located at 816 N. Lallendorf Road near the intersection of York Road in the City of Oregon, Lucas County, Ohio.

W. The general location of the Oregon Clean Energy Center is shown on the

Clean Energy, LLC ("OCE") has an Application for a Second Amendment of its Certificate of Environmental Compatibility and Public Hearing before the Board for approval of a series of minor changes to components of the Facility. All changes would occur within the Facility's certificated footprint, and come as a result of developments in the Facility's design and construction. A detailed description of the changes is available in the Application docket.
