RE: Case Number 13-0534-GA-AGG - REVISION

To whom it may concern,

Please find attachment outlining a revision to Titan Energy New England's natural gas broker/aggregator renewal application for Case Number of 13-0534-GA-AGG, in connection to Certificate No. 13-293G(1), due to expire on March 29th, 2015.

The revision pertains to line "A-7 - Applicant's address and toll-free number for customer service complaints", where due to Titan Energy not having a toll free number, the field was previously listed as "n/a" (or not applicable). Now understanding that the Ohio PUCO would accept our standard customer service phone number in that field, we have corrected the field on the following page.

Please refer any questions in regards to the attached documents to Justin Kearney, Director of Market Development & Support, who can be reached by phone at 860-436-2768 ext. 105 or by email at justinkearney@titanenergyne.com.

Respectfully,

Justin Kearney, CEP
Director, Market Development & Support

| <input checked="" type="checkbox"/> Corporation | <input type="checkbox"/> Other |

A-11 (Check all that apply) Identify each natural gas company service area in which the applicant is currently providing service or intends to provide service, including identification of each customer class that the applicant is currently serving or intends to serve, for example: residential, small commercial, and/or large commercial/industrial (mercantile) customers. (A mercantile customer, as defined in Section 4929.01(L)(1) of the Ohio Revised Code, means a customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within the state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside of this state. In accordance with Section 4929.01(L)(2) of the Ohio Revised Code, "Mercantile customer" excludes a not-for-profit customer that consumes, other than for residential use, more than 500,000 cubic feet of natural gas per year at a single location within this state or consumes natural gas, other than for residential use, as part of an undertaking having more than three locations within or outside this state that has filed the necessary declaration with the Public Utilities Commission.)
