RECEIVED-DOCKETING DIV

To the Public Utilities Commission of Ohio: 2015 MAR 11 AM 11:39

PUCO

Please reconsider any interests in a bailout for coal plants. If we're to hope to move forward in our interests for renewable energy, we can not continue funding inefficient and environmentally harmful methods of energy production. Our state deserves better energy systems and cleaner air, changes that must ultimately be made by you. Thank you for your time.
