Re: Duke Energy Case # 14-0841EL-SSO

I have been a taxpayer and citizen of Cincinnati Ohio for most of my 65 years. I am a retired nurse and my husband Timothy and I live on a fixed income. We are aware of the case referenced above and hope that it does not come to fruition. We can't afford a rate increase and we also believe that more money should be spent investing in efficient, renewable energy - not coal plants.

Sincerely,
