Natural Gas AGG Case Number: 03-0751-GA-AGG

PUCO

To Whom It May Concern:

This letter is in regard to renewal applications for the brokerage of natural gas by H. P. Technologies, Inc. being sent in too early. I was under the impression all filings had to be in by April 1st. This information was incorrect as we are to file 60 - 30 prior to the expiration of the licenses.

Please disregard any renewal information sent to the Public Commission of Ohio Docketing Division. Please withdrawal the applications.

I will file when the time is right later this year. Thank you for your time and please accept my apologies for any inconvenience.

Sincerely,

David Ramos
Project Manager
