Mr. Taddonio,

Thank you for contacting the Public Utilities Commission of Ohio and the Ohio Power Siting Board (OPSB). I will docket your comments in the record for case number 14-1754-GA-BLN, the Oregon Lateral Pipeline project. In this case, North Coast Gas Transmission proposes to build a 22-mile long, 24-inch diameter pipeline in Wood and Lucas counties. The pipeline would tie into two existing pipelines in the city of Maumee to provide natural gas to the Oregon Clean Energy Facility, located in the city of Oregon.

The application in this case was approved on Jan. 6, 2015, and is currently pending OPSB action regarding two separate applications for rehearing. Additional information regarding the proposed pipeline is available at www.OPSB.ohio.gov.

Sincerely,

Matt Butler

COMMENT DESCRIPTION:

I AM OPPOSED TO ANY AND ALL GAS PIPELINES TO BE CONSTRUCTED IN WOOD COUNTY. THEY WILL ADVERSELY AFFECT OUR PROPERTY VALUES. WE ALREADY HAVE ENOUGH!
