Exhibit C

Cricket Communications, Inc.

PUCO Certificate No. 90-5446

Cricket Communications, Inc. holds a statewide PUCO Certificate No. 90-5446, issued on October 23, 2002 in Case No. 01-2113-CT-ACE. That case is the case in which this notification would ordinarily be filed under O.A.C. § 4901:1-6-24(C), but it has been archived by the Docketing Department, so this notification is being filed in a new case.

Cricket Communications, Inc. provides prepaid wireless services in various parts of Ohio and is a Lifeline-only Eligible Telecommunications Carrier (“ETC”) in Ohio. Its application for relinquishment of its ETC designation was granted on March 18, 2015 in Case No. 11-3963-TP-UNC, the case in which that designation was conditionally granted on July 2, 2012.

In a transaction that was consummated on February 28, 2015, Cricket Communications, Inc. converted to a limited liability company, Cricket Communications, LLC, under Delaware law. Cricket Communications, Inc. was, and Cricket Communications, LLC is, an indirect wholly-owned subsidiary of AT&T Inc. Delaware law allows corporations to elect to convert to a limited liability company (LLC) and provides that upon conversion, the LLC "shall, for all purposes of the laws of the State of Delaware, be deemed to be the same entity as the corporation."<sup>1</sup> Delaware law further provides that upon conversion:

all of the rights, privileges and powers of the corporation that has converted, and all property, real, personal and mixed, and all debts due to such corporation, as well as all other things and causes of action belonging to such corporation, shall remain vested in the [LLC] and shall be the property of [the LLC], and the title to any real property vested by deed or otherwise in such corporation shall not revert or be in any way impaired by reason of this chapter; but all rights of creditors and all liens upon any property of such corporation shall be preserved unimpaired, and all debts, liabilities and duties of the corporation that has converted shall remain attached to the [LLC], and may be enforced against it to the same extent as if said debts, liabilities and duties had originally been incurred or contracted by it in its capacity as [LLC]. ***The rights, privileges, powers and interest in property of the corporation that has converted, as well as the debts, liabilities and duties of such corporation, shall not be deemed, as a consequence of the conversion, to have been transferred to the [LLC]. . . .***<sup>2</sup>

Accordingly, effective on February 28, 2015, all of the rights, privileges, powers and interest of Cricket Communications, Inc. are now be possessed by Cricket Communications, LLC, and Cricket Communications, LLC became responsible and liable for all the liabilities and obligations of Cricket Communications, Inc. To the extent that Cricket Communications, Inc. is subject to any Commission rules, regulations, and orders as of the effective date of this

conversion, Cricket Communications, LLC will be subject to those same rules, regulations, and orders.

Finally, this conversion will be transparent to customers. It did not affect the prices, terms, or conditions under which Cricket provides services to its Ohio customers, and it will not affect the services provided to those customers. The same personnel who managed these services before the conversion still manage them after the conversion, and the same network that provided the services before the conversion provides them after the conversion. Therefore, no customer notice of this transaction is necessary and none has been provided.
