**THE EAST OHIO GAS COMPANY D/B/A DOMINION EAST OHIO'S
STATEMENT INFORMING THE COMMISSION WHETHER
THE ISSUES RAISED IN COMMENTS HAVE BEEN RESOLVED**

In accordance with the Commission's March 3, 2015 Entry, The East Ohio Gas Company d/b/a Dominion East Ohio (DEO) hereby informs the Commission whether the issues raised in the comments have been resolved. Staff filed Comments on March 26, 2015, stating that it did not have any objections to DEO's Application and recommending "that the Commission approve DEO's Application as filed." (Staff Comments at 5.) No other parties filed motions to intervene or comments in this case.

Because no issues have been raised with the Application, there are none to be resolved, and DEO believes that a hearing in this case is unnecessary. *See* Entry ¶ (4)(f) (Mar. 3, 2015) ("*In the event* that all of the issues are not resolved or the parties enter into a stipulation, a hearing shall commence") (emphasis added).

Solely to ensure that the record is clear, DEO offers one brief comment in response to Staff's comments. At page 4, Staff's comments note certain figures with respect to the progress of the PIR Program, including mileage figures. DEO wishes to clarify that although those figures accurately reflect the figures that DEO provided to Staff, those figures were preliminary. At the time the data was provided, the system housing that data had not been completely updated to reflect all 2014 projects.

Therefore, DEO respectfully requests that the Commission approve its March 3, 2014 Application, as filed.

Dated: April 1, 2015

Respectfully submitted,
