Subject: Re: complaint against Dominion

As I stated in our conversation, I am dismayed by the requirement that the only place to have a hearing is Columbus. I see the flaw in the complaint system, that a travesty which accrued in Summit county can not be resolved in Summit county. If the same logic were used for traffic, civil, or criminal cases we would say that placed a hardship on the defendants and would be construed as justice denied. Since the only remedy I was asking for was those individuals which continued to lie receive disciplinary action and I was **NOT** seeking any monetary settlement, unless a hearing can be held in the Summit county area I have decided to drop my case # 14-2140-GA-CSS due to the hardship both monetary and time it would place on me.
