However generic the apology was, and hardly heart felt, I have signed the dismissal papers, with the knowledge that this case will be resolved with all charges reversed for 1012 S. Byrne Road, Toledo, Ohio 43609, be reversed. I also understand that retaliation for my case should not take place, on Toledo Edison's/First Energy side. I also am in the understanding that my case will be used as a training case for sensitizing the customer care sections of Toledo Edison and First Energy companies.

The matter should be fixed as above. Signed under these conditions. This email must also be filed, with the papers signed, as they are notations to the papers signed.
