City of Sharonville Electric Aggregation Program

Date

<insert customer address>>

Dear Sharonville Residents and Businesses,

Welcome to the City of Sharonville's continuing Electric Aggregation Program. In November, 2012, Sharonville voters authorized the Sharonville City Council to form a governmental aggregation program to negotiate a favorable price and terms for electricity supply for City residences and businesses. Sharonville Officials have selected Dynergy Energy Services, a competitive retail electric service provider, as the program supplier for the next two and a half years. As an eligible resident or small business, you will be automatically enrolled in the program unless you opt-out by May 25, 2015.

Fixed Price Electricity Plan

- **Fixed Electricity Price** of 5.77.¢/kWh through your December 2017 meter reading.
- Provides **security** against electricity price fluctuations.
- **One energy bill** from Duke Energy, your local utility.
- **Electricity price will never change** for the term of this offer.

You do not need to do anything to participate. You will be automatically enrolled in the Sharonville Aggregation Program. Your service under this program is estimated to begin at your July 2015 billing. This is an estimate only and will depend upon your meter read cycle and when your local utility accepts your enrollment. Both Sharonville and Dynergy Energy Services are certified by the Public Utilities Commission of Ohio to provide this service. Participation in this program is voluntary.

If you choose to opt out (not participate), you may do so at no charge during this initial enrollment period and you will not be served by Dynergy Energy Services. If you become part of the aggregation, you may cancel the agreement at any time at no charge by providing notice to Dynergy Energy Services.

How to opt-out if you do not wish to participate, either:

- Fill out the reply card below and return it to us by May 25, 2015 or
- Call us toll-free at 1-844-672-9102.

What you need to know

1. If you do nothing, you will be automatically enrolled in the City of Sharonville program.
2. You will receive letters confirming your enrollment from Duke Energy OH and Dynergy Energy Services.
3. Duke Energy will continue to send your monthly bill, maintain the electric lines and respond to emergencies and outages.
4. No one from Dynergy will come to your door to ask you to switch to a new supplier. Anyone who does is not with the City of Sharonville program.

If you have questions, contact Dynegy Energy Services at DynegyEnergyServicesOhio@dynegy.com or call 1-844-672-9102.
