Effective June 1, 2015, our local telephone rate for residential customers will increase by \$1.25 per month, from \$17.55 to \$18.80. This increase is due to Federal Communications Commission ("FCC") rules. Many rural telephone companies, including ours, receive support from the Federal Universal Service Fund. The FCC's rules will reduce our support if our local rates are below the national average. This \$1.25 increase is required to bring our local rates more in line with the national average. If you have any questions, please call our office at 611 or (419)859-2144.
