RE: Carrier Access Reform Compliance Letter (Case No. 10-2387-TP-COI)
Common Point LLC (Case No.13-0364)

Dear Commission:

This Letter of Compliance is being filed pursuant to the Commission's Entry on April 2, 2015 in Case No. 10-2387-TP-COI. Please be advised that Common Point LLC ("Common Point") has no revisions to make to its Ohio Access Tariff No. 1. The FCC's fourth phase of intrastate access reductions, which are to occur no later than July 1, 2015, instruct CLECs to reduce intrastate access terminating switched end-office rates and reciprocal compensation. As a tandem access provider, Common Point does not assess, offer, or tariff end-office rates, thereby making the fourth phase inapplicable to Common Point. Due to this, there is nothing in Common Point's tariff to revise.

If you have any questions or need additional information, please do not hesitate to contact me at (405) 755-8177 extension 103, mdean@telecompliance.net.

Respectfully,

/s/ Matt Dean
