Docketing Information System Electronic Filing Participation Agreement

Pursuant to Chapter 4901-1, Ohio Administrative Code, the undersigned hereby requests to voluntarily participate in the electronic filing of documents via the Internet (E-Filing) using the Docketing Information System (DIS) of the Public Utilities Commission of Ohio (PUCO) and Ohio Power Siting Board (OPSB). The undersigned agrees that the use of a username and password in accordance with the PUCO's and OPSB's orders, rules, and technical specifications will constitute the filer's signature and validation of filed documents pursuant to Ohio's Uniform Electronic Transactions Act, Chapter 1306, Revised Code. The undersigned also agrees that notification of filings via the DIS electronic mail procedure shall constitute valid service of E-Filed documents. The undersigned further agrees to monitor email notifications and confirmation messages sent by DIS and notify Docketing immediately upon discovery of any error or inaccuracy. Unless otherwise directed by the PUCO or OPSB, the participant may choose to E-File in some instances but not in others. However, as a condition of making an E-Filing in any particular case, the filer agrees to be served via automatic email notifications generated by the system on all subsequent filings in that particular case.

The undersigned further acknowledges that participants and the parties on whose behalf they are filing assume all risks associated with the E-Filing of documents using DIS, including the risk that the system or E-Filing function may become unavailable at any time without prior notice, or that electronic mail notifications sent by DIS may be blocked or delayed by causes beyond the control of the PUCO or OPSB, or the participant. In addition, the undersigned acknowledges that failure to abide by the PUCO's or OPSB's orders, rules, technical requirements or other directives may result in the revocation of electronic filing privileges without prior notice.
