**Case No. 10-2387-TP-COI**

Dear Ms. McCauley:

Global Crossing Local Services, Inc. ("Global Crossing") hereby submits this letter in accordance with the Commission's Entry of April 2, 2015 in Case Number 10-2387-TP-COI to confirm that the terminating switched access rates currently on file in its P.U.C.O. Tariff No. 4 are in compliance with 47 C.F.R. §51.911. Global Crossing's intrastate terminating switched access rates refer to its corresponding interstate access rates, which are at parity with the applicable ILEC access rates. Therefore, the Company is already in compliance with the requirements of PUCO Case No. 10-2387-TP-COI and no intrastate access tariff revisions are required at this time.

Any questions regarding this filing should be directed to me at [diane.peters@level3.com](mailto:diane.peters@level3.com) or (585) 255-1425.

Sincerely,

A handwritten signature in cursive script that reads "Diane L. Peters".
