Re: *In the Matter of the Adoption of Chapter 4901:1-3, Ohio Administrative Code, Concerning Access to Poles, Ducts, Conduits and Rights-of-Way by Public Utilities*  
Case No. 13-579-AU-ORD

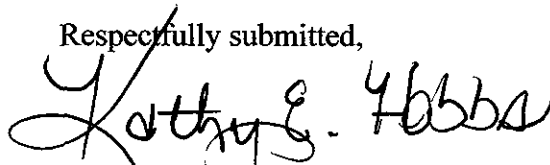

Dear Ms. McNeal:

In response to the Commission's Finding and Order of April 30, 2014 in the above-referenced matter, Farmers Mutual Telephone Company hereby states that they currently do not have any poles or conduits in their franchise area; therefore will not be filing a company-specific tariff amendment application or applicable calculations at this time.

At such time that Farmers Mutual Telephone Company does have available pole or conduit space for resale in its franchise area, the Company will file the appropriate tariffed rates.

If you have any questions regarding this matter, please contact Cheryl Bostelman at 419-758-3322 or 419-5991893 or [cbos@fmtc.cc](mailto:cbos@fmtc.cc).

Respectfully submitted,

Kathy E. Hobbs
