COMMENTS: To the Director of the OPSB and all voting members of the OPSB, I am writing as a concerned property owner in Greenwich Ohio. I strongly urge you to repeal the certificate of approval awarded to Windlab to build an industrial wind park in my community until compliance with the Ohio revised code has been achieved. It is the responsibility of this Board to require and enforce that all projects comply with Ohio law for the protection of Ohio citizens and their property.

Thank you,

Jessica Williams
