Re: *In re Application of Aqua Ohio, Inc. for Approval to Amend Tariff Pages*, Case
No. 15-0403-WW-ATA

Dear Ms. McNeal,

On February 24, 2015, Aqua Ohio, Inc. (Aqua) filed its application in the above-captioned case. On May 22, Aqua filed several revisions to the tariff proposed in the application. It has since come to Aqua's attention that another revision is necessary. The revisions are shown in the redlined page attached to this letter. The revision is to ensure consistency between the tariff provisions and the notification of customer rights.

As stated on May 22, upon issuance of a Commission order approving these tariffs, Aqua will file a complete final version of the proposed tariff, including the revised sheets attached to this letter and the May 22 letter, an updated subject index, and all applicable rate sheets (all rates will remain unchanged).

Please let me know if there are any questions.

Regards,

/s/ Andrew J. Campbell

- (1) Failure to pay for service furnished to a Customer formerly receiving service at the Premises, unless the former Customer continues to reside at the Premises.
- (2) Failure to pay for a class of service different from the service provided for the account in question.
- (3) Failure to pay any amount that, according to established payment dispute any resolution procedures, is in bona fide dispute.
- (4) Failure to pay any charge not specified in the Company's Tariff.
- (5) If any Customer requests a Meter test the Company will perform an onsite or bench Meter test. The Customer will pay upfront Costs for on site or Meter testing: provided, however, that the Company will perform either an on-site or bench Meter test once every three years without charge. The Meter test shall be performed within 30 days from the request. The Company may request a reasonable justification for a Meter test. The Company or any Customer may request that a Meter test be performed in the presence of a staff member of the Commission. The Customer also has the right to be present. Results of an onsite Meter test shall be provided to the Customer at the time of the test. Should the onsite Meter test indicate primary Meter inaccuracy, the primary Meter shall be removed and bench tested in accordance with the accuracy standards set forth in Section 3-9 of the Company's Tariff, "Metered Water Service," Item 13. If bench testing demonstrates that the Meter is less than 90% accurate, then the Company shall reimburse the Customer for the Cost of the on-site or bench test, or both. If the bench test reveals that the Meter is greater than or equal to 90% accurate, then the Customer shall not be reimbursed the Cost of on-site or bench testing, or both. Reimbursement shall be made within 30 days of completion of the tests.

The Customer Cost of on-site or bench testing shall be \$42.42 for Meters up to and including three-fourths inch in size, \$156.00 for Meters one inch up to two inches in size, and at actual Cost to the Company for all Meters over two inches in size. All charges will be paid in advance. If the Meter fails to meet the specifications, the advanced charge will be refunded within 30 days.

- (6) The Company will establish a residential Customer's creditworthiness, as set forth in Ohio Adm. Code Chapter 4901:1-17. In accordance with Commission rules, the Company may require new Customers to establish financial responsibility prior to receiving service. Financial responsibility may be established if:
