**MOTION OF TIME WARNER CABLE INFORMATION SERVICES (OHIO), LLC
FOR REVIEW OF A DECISION OF
THE NORTH AMERICAN NUMBERING POOLING ADMINISTRATOR**

Time Warner Cable Information Services (Ohio), LLC d/b/a Time Warner Cable ("TWCIS") is a certificated local exchange carrier providing service throughout Ohio. One of its customers, Reliable Runners Courier Service, Inc. of Mentor, Ohio is located in the MENTOR rate center and is in need of additional telephone numbers. Specifically, due to certain limitations in the customer's PBX, the customer requests 20 DID telephone numbers for which the last four digits would be 1XXX or 7XXX. TWCIS does not own any blocks of numbers that start with a one or seven in a Mentor rate center.

In response to its customer's need, TWCIS has recently made a Central Office Code (NXX) assignment request to the Pooling Administrator seeking a block of numbers for MENTOR rate center.

Attachment A is the request to the NIM Administrator for a need for a special number in the rate center of Mentor, Ohio consists of the Thousands-Block Application Form – Part 1A for tracking number 440-MENTOR-OH 830044 which was prepared by TWCIS and submitted to the Pooling Administrator.

TWCIS prepared and submitted to the Pooling Administrator its Months To Exhaust and Utilization Certification Work Sheet – TN level. See Attachment B.

TWCIS has submitted a request for the special block of 20 DID numbers to the Pooling Administrator which was denied on May 7, 2015. The explanation for the denial given was as follows:

DR-57: You do not meet the MTE and/or utilization requirements, therefore this request for a new block is denied. You may proceed with requesting a State Waiver from the appropriate state commission using this Part 3 denial. If you are in disagreement with the disposition of this request, please refer to the Thousands Block Number (NXX-X) Pooling Administration Guidelines for the appeals process.

See Attachment C.

Attachment D is a letter from Reliable Runners Courier Service, Inc. HMT requesting new DID numbers.

The Commission has authority to review the PAS decision and issue a waiver to PAS authorizing assignment of the NPA-NXXs requested by TWCIS.

Should the Commission Staff need additional information about this waiver request, please contact Vincent Paladini at (703) 345-2523 vincent.paladini@twcable.com or Maribeth Bailey at (212) 364-8440 maribeth.bailey@twcable.com.

WHEREFORE, for the reasons set forth above, TWCIS respectfully requests that the Commission or its Attorney Examiner act expeditiously and issue an Entry providing a waiver to the PAS and authorizing assignment of the numbering resources that TWCIS has requested on behalf of its customer.

Respectfully submitted,

Time Warner Cable Information Services (Ohio),

To whom this may concern,

We are requesting a different block of DID numbers be issued as our four digit extension numbers on the phone system need to match the last four digits of our DID numbers. The new block you issued begins with a 0 as the leading last four digits and this will not work. We need the last four digits to begin with something other than a 0 or 8 please. 1xxx, 2xxx, 3xxx, 4xxx, 5xxx, 6xxx, 7xxx would work.

Respectfully,

Marc Coben
