Donielle,

Choice Energy Services Retail (CESR) holds a power and natural gas license in the state of Ohio. With this said, I have both annual reports on my desktop however, due to the inclement weather in Houston my office building has had flooding issues and has been closed all week.

I intend on sending these reports once CESR building is open on Monday, June 1st when I have access to my desktop. My original intentions were to send the reports earlier this week but because of the flooding situation in Houston I am forced to wait a week. CESR understands the final deadline is Monday, June 1st.

Thank you,
Stephany Luna
