Description of the Transaction and Public Interest Considerations

Sage Telecom Communications, LLC (“Sage”) and Birch Telecom of the Great Lakes, Inc. d/b/a Birch Communications (“Birch”) (Sage and Birch collectively, the “Parties”), hereby seek approval from the Public Utilities Commission of Ohio (“Commission”) of a pending transaction between Sage and Birch pursuant to which Sage will transfer a portion of its telecommunications assets and Ohio customer base to Birch (the “Transaction”).

I. DESCRIPTION OF THE PARTIES

A. Birch Telecom of the Great Lakes, Inc. dba Birch Communications

Birch is a Delaware corporation with headquarters located at 2323 Grand Blvd., Suite 925, Kansas City, Missouri 64108. Birch is authorized by the Commission to provide competitive local exchange and interexchange services in the State of Ohio.¹ Birch is a wholly owned subsidiary of Birch Communications, Inc. (“BCI”), a Georgia corporation with headquarters located at 3060 Peachtree Road NW, Suite 1065, Atlanta, Georgia 30305. Birch and its subsidiaries are authorized to provide telecommunications services to both business and residential customers in 50 states and the District of Columbia.

B. Sage Telecom Communications, LLC

Sage is a Texas limited liability company with corporate headquarters at 10440 N. Central Expressway, Suite 700, Dallas, Texas 75231. Sage was authorized to provide telecommunications services in Ohio in Case Nos. 02-0126-TP-ACE and 90-9212-TP-TRF.

¹ Certification Number 90-9134; Case Nos. 00-1042-TP-ACE and 07-0738-TO-ATA.

II. DESCRIPTION OF THE TRANSACTION

On June 11, 2015, BCI and Sage entered into an Asset Purchase Agreement pursuant to which BCI will purchase the following assets from Sage: certain customer accounts and receivables, certain customer agreements and contracts, certain vendor agreements and contracts, certain equipment, and certain intellectual property. BCI, however, will not assume any of Sage's pre-closing liabilities or obligations.

Following approval of the proposed Transaction, Birch will file revised tariff sheets incorporating Sage's current services and rates so that the affected customers will continue to receive the same services that they currently receive without any immediate changes to their service offerings, rates, or terms and conditions. The ownership structure of BCI and Birch will not be affected by the Transaction. Upon consummation of the Transaction and after completion of the customer transfer, Birch will provide the affected Sage customers with the same service quality they have come to expect and all billing will be handled by Birch. Consummation of the Transaction is contingent on, among other things, receipt of all necessary regulatory approvals.

The proposed transfer will affect Sage's current wireline customers in Ohio, none of whom will experience any material change to the terms and conditions of their services as a

result of the transfer. The transfer is scheduled to occur upon the receipt of all necessary regulatory approvals. **Exhibit D** contains a draft of the customer notice letter that will be provided to Sage's customers in accordance with Ohio and Federal Communications Commission ("FCC") requirements, and **Exhibit E** contains an affidavit regarding the customer notice.

Upon completion of the Transaction, Sage will continue to be a licensed telecommunications provider in Ohio. Sage, through itself, and through certain affiliates, will continue to operate as a provider of certain wireless and broadband services in Ohio and will explore new service offerings going forward.

VI. PUBLIC INTEREST ANALYSIS

Approval of the proposed Transaction serves the public interest. The proposed Transaction will ensure that affected customers enjoy continuity of high-quality telecommunications service. As discussed above, customers will be given prior written notice of the transfer of their account to Birch, in compliance with the FCC's customer notice rules. Following the Transaction, the affected customers will continue to receive services consistent with the quality of services currently provided by Sage that will be supported by Birch's experienced and well-qualified management team. As a result, the proposed Transaction will be transparent to Sage's customers. Consequently, the proposed Transaction will not have a negative impact on the public interest, services to Ohio customers, or competition.

Draft Customer Notices

IMPORTANT NOTICE
REGARDING A CHANGE IN YOUR TELECOMMUNICATIONS SERVICES

Dear _____

Birch Communications ("Birch") and Sage Telecom Communications, LLC ("Sage") are pleased to announce that Birch is acquiring Sage's local telephone and long distance telephone customers, as well as certain other customers receiving additional types of services from Sage. Subject to approval by the Federal Communications Commission and state regulators as necessary, Birch will replace Sage as your current telecommunications service provider on or after **[30 DAYS AFTER LETTER DATE]**, 2015 (the "Transfer Date"). As a result of this transaction, Birch will assume responsibility for all wireline services previously provided to you by Sage. Birch is excited about the opportunity to provide your telecommunications service(s) and looks forward to a long and mutually rewarding business relationship.

Please rest assured, the transition will have little or no impact on your current services, nor will there be any interruption of your service. The agreement between Birch and Sage has been structured so that the transfer of service will be virtually seamless, other than the possibility of a minor change to your voice mail service for which you will receive additional information.¹ There, however, may be other changes to your service plan based on Birch's unique billing systems (e.g., customers currently utilizing a message or measured local service plan may be switched to a flat rate plan). In those cases, Birch will transition you in a neutral manner **with no increase to your regular monthly recurring charges**. You will retain all other service rates, features, terms, and conditions of service and your telephone number. Birch will not impose any charges for the transfer of your services to Birch and **no action is required from you to continue your telecommunications service(s) with Birch**. You will receive your first billing statement from Birch starting with your **[MONTH]** 2015 or **[MONTH]** 2015 bill. As in the past, you are responsible for paying all bills rendered to you by Sage during the transition of service.²

¹ It will be necessary for you to reset your password and re-record your message greeting(s). Additionally, saved messages at the time of the transfer will no longer be retained. Birch will provide further details in a follow-up letter.

² Those customers interested in setting up online payments will be pleased to know Birch offers online payments and account updates.

You do have the right to select a different carrier for your telecommunications service(s). If you choose to switch to an alternate carrier for services, you may incur a fee from that alternate carrier for the transfer of services to that alternate carrier. If you select a local telephone service provider other than Birch, you should also contact your current long distance provider to ensure that your current long distance plan is not changed. Please note that if you are a customer of Sage on the Transfer Date as set forth above, your account will automatically be transferred to Birch. In addition, should you have a term commitment with Sage and you disconnect or transfer services to another carrier prior to the end of that term, you will be liable to Birch for any applicable early termination charges, subject to applicable law. Please note that when your service is transferred to Birch, any preferred carrier “freeze” you have placed on your existing telephone lines to prevent unauthorized transfer of your services to another carrier will be over-ridden for purposes of this transaction and will need to be reinstated by you by contacting Birch after the transfer is complete.

If you have any questions regarding this transaction or questions about your service or billing prior to the Transfer Date set forth above, you should contact Sage at **888-449-4940**.

If you have any questions regarding this transaction, or questions about your service or billing after the Transfer Date set forth above, you should contact Birch at **888-772-4724**.³

Sage thanks you for your business and Birch looks forward to providing you with quality service for many years to come.

Sincerely,

Sage Telecom Communications, LLC and
Birch Communications

³ **About Birch Communications** - Headquartered in Atlanta, Georgia, Birch Communications is one of the largest competitive local exchange carriers in its 50-state footprint, serving residential and business customers. Birch was the first in its class to deploy its own private IP network utilizing soft switch technology to deliver innovative, high quality, affordable voice and broadband communications services to small- to large-sized business customers.
