The Ohio Rail Development Commission (ORDC), Public Utilities Commission of Ohio (PUCO), City of Willard and CSX Transportation (CSXT) entered into a Subsidy Agreement, executed on May 26, 2015, for the closure to vehicular and pedestrian traffic of 3rd Street at the CSXT grade crossing DOT# 142 137L.

A construction authorization was issued to City of Willard and CSXT on May 28, 2015, for work required for the closure (attached). In accordance with the Subsidy Agreement, the closure is to be completed within one hundred and twenty (120) days.

The ORDC requests that the PUCO issue an Order for the closure. This authorization is made with the stipulation and understanding that an approved estimate may contain entries for items or activities that may be cited and found to be ineligible for federal participation during the project audit.

Thank you for your assistance with these matters.
