Key Technical Personnel

JAMES LEWIS

President and Co-Chief Executive Officer

James Lewis brings to his position as President and Co-CEO of Just Energy more than 16 years of experience in the retail energy industry. Before assuming his latest role, Mr. Lewis served as Chief Operating Officer (COO) for the Company with accountability for corporate-wide strategic planning, policy and program development. Prior to his role as COO, he led Just Energy's Eastern U.S. residential and small business division with accountability for all aspects of the residential business including Customer Service, Operations and Sales. Mr. Lewis also served as Senior Vice President for all of Just Energy's North American Operations, which included a range of business functions from Contract Fulfillment and Revenue Assurance to Customer Retention and Renewals.

Before joining Just Energy, Mr. Lewis led the Risk Management, Structuring, and Trading portfolios for a large U.S.-based energy company, as well as Information Management and Internal Audit functions for a large multi-national corporation.

Mr. Lewis earned a Bachelor and Master's degree of Engineering from the Stevens Institute of Technology in New Jersey, as well as a Master's of Business Administration degree from New York University.

DEBORAH D. MERRIL

President and Co-Chief Executive Officer

With more than 17 years of experience in the retail energy industry, Deborah Merrill was appointed to her current role of President and Co-Chief Executive Officer of Just Energy in April, 2014. Prior to this, Mrs. Merrill led the organization's commercial business as President of Hudson Energy Services with responsibility for Hudson as well as the Commerce Energy brand. Earlier leadership functions include her role as Vice President of Marketing from 2002 to 2007. Mrs. Merrill was a founding partner of Houston-based Just Energy LP, now owned and operating under Just Energy Group Inc. Previous industry experience includes accountability in several business portfolios ranging from operations, to physical and financial risk management, and deal structuring at Enron Energy Services.

Mrs. Merrill gained a Bachelor of Arts degree in Economics at The College of Wooster in Ohio, and earned her Master's degree in Business Administration (MBA) at Texas A&M University.
