Vectren Energy Delivery of Ohio, Inc., Replacement of the Z-50E
24-Inch Pipeline Project, Miami and Xenia Townships, Greene
County, Ohio OPSB Case No. 15-1249-GA-BLN**

Dear Mr. Donlon and Ms. McNeal:

Vectren Energy Delivery of Ohio ("Vectren") is planning a replacement pipeline project, entitled the Z-50E 24-inch Replacement Project, which is approximately 1.3 miles (approximately 6,680 feet) long and would replace an existing 18-inch pipeline with a 24-inch steel pipeline externally coated with 15-16 mills of fusion bonded epoxy coating and cathodically protected. The Z-50E 24-inch Replacement Project is located in Greene County, Ohio, and traverses through portions of Miami and Xenia townships.

Construction of the replacement pipeline is anticipated to begin in August 2015. Vectren plans to place the line in-service by October 2015.

Vectren will submit payment of \$2,000 in accordance with Ohio Administrative Code Rule 4906-5-11(I) so that the Letter of Notification will be considered on an expedited basis. If you have any questions please call at the number listed above.

Sincerely,

Sally W. Bloomfield
