LEGAL NOTICE

AQUA OHIO, INC., NOTICE OF APPLICATION TO
ASSESS A SYSTEM IMPROVEMENT CHARGE
BEFORE THE PUBLIC UTILITIES COMMISSION OF OHIO

Districts Formerly Served by Ohio American Water Company

Public notice is hereby given that on May 1, 2015, Aqua Ohio, Inc. filed with the Public Utilities Commission of Ohio an Application for Authority to Assess a System Improvement Charge in the following district formerly served by Ohio American Water Company: Franklin County Sewer. The case number of the proceeding before the Public Utilities Commission of Ohio is 15-864-WS-SIC.

A copy of the application is available for inspection at the Boardman office, located at 6650 South Avenue, Boardman, Ohio 44512. Additionally, a copy of said application is available for inspection at the offices of the Public Utilities Commission of Ohio located at 180 East Broad Street, Columbus, Ohio 43215. The filing may also be viewed online at the Commission's docketing division website, www.ohio.gov/puco/docketing/index.cfm.

In its application, the Company seeks to avail itself of the authority set forth in Ohio Revised Code section 4909.172 to assess a monthly system improvement charge on all sewage disposal service customers. The purpose of seeking authority to assess and collect a SIC is to recover the costs incurred related to replacement of certain qualifying infrastructure improvements. Improvements totaling more than \$862,000 have been made since the last rate case in 2011. The application, if granted in full, will result in an additional \$1.48 per month for an average residential sewer customer using 4,000 gallons per month in the Franklin County area. The proposed surcharge would equal three percent of the total sewer service bill of each customer and customers can contact the application toll-free at 877.987.2782 with any questions concerning the application.

Any person, firm, corporation or association may file comments regarding the proposed application with the Public Utilities Commission of Ohio. Any comments must be filed with the Public Utilities Commission of Ohio by July 15, 2015.
