Pursuant to the Administrative Law Judge Entry of May 26, 2015, Applicant, Clean Energy Future-Lordstown, LLC (“CEFL” or “Applicant”) states that it does not have issues with the Staff Report of Investigation that was filed on July 13, 2015. Counsel for Staff, counsel for American Transmission Systems, Incorporated (“ATSI”) and Ohio Edison Company (“OE”) (collectively, “FirstEnergy”) and representatives of, and counsel for, Applicant have met to confirm the fact that the Applicant has no issues with the Staff Report and thus would not have cross examination with any witnesses.

However, if issues are raised at the local public hearing on July 28, 2015, CEFL would like to be able to present live testimony that addresses any issues raised at the July 28, 2015 local public hearing.

Respectfully submitted on behalf of
