COMMENTS: Ohio Power Siting Board Member, I wish to express my concern about the construction of this proposed Wind Farm. The construction sites are too close to the community of Greenwich and the outlying residents. To many negatives about the affect to the health and well being of those living nearby. If only half are valid concerns it will forever change our lives. It isn't worth it, please vote NO on allowing this project to proceed. WE DON'T WANT IT!! Thank you for hearing my concerns.
