COMMENTS: Please allow this case filed by the Omega Crop Corp to be reheard as we have requested. I have a daughter and son-in-law who have 5 children and a son and daughter-in-law who have 7 children, all who live in Greenwich township along with my wife and me. Based on research I have done and testimony from people who live in other Ohio counties where these industrial windmills have been installed I am very concerned for the health of my family members if this Windpark is allowed. Among the many concerns is the failure that the OPSB failed to follow the statutory requirements concerning setbacks.

Thank you,

Gene Lamoreaux
