Re: Case No. 14-1964-TP-ARB

Dear Ms. McNeal:

In the Arbitration Award issued in the above matter on August 19, 2015, the Commission directed that the parties docket their entire interconnection agreement for review by the Commission within thirty days in accordance with Rule 4901:1-7-09 of the Ohio Administrative Code. Sprint Spectrum L.P. will be filing an application for rehearing alleging error in the decisions on some of the provisions that the parties were ordered to modify. With the filing of this application for rehearing, the agreement of the parties on provisions that are not effectively final appears to be premature. Therefore, Sprint is not in a position to file a completed interconnection agreement today.

Sincerely yours,

Stephen M. Howard  
Attorney for Sprint Spectrum L.P.
