Please deny the rate increase to
lock consumers into buying power
from Ohio's oldest, dirtiest coal
plants.

As a mother, I clean up after my toddler on a daily basis. It is NOT my responsibility to clean up after First Energy. We need to keep future generations in mind as we teach First Energy about consequences. Let them clean up their own mess and maybe they'll learn something.

A bailout of old, polluting
technology only benefits utility
shareholders and delays inevitable
investment in efficiency and
renewable energy.
